

Doggie Doo Skit

Everyone is walking along a street having a conversation about something.

All of a sudden one of the campers says, "Hey! Watch out! That might be doggie doo!"

Person #2: "Smell it to see if it smells like doggie doo!"

Person #3: (Smells it) "Yep! Smells like doggie doo!"

Person #4: "Touch it to see if it feels like doggie doo!"

Person #5: (Touches it) "Yep! It feels like doggie doo!"

Person #6: "Taste it to see if it tastes like doggie doo!" (Maybe the kitchen would give you a cookie to use for this skit!!)

Person #7: (Tastes it) "Yep! Tastes like doggie doo!"

Person #8: (Turn your face toward the audience, speak slowly and loudly as you say this line!)

Well! It's a good thing we checked and didn't walk in it!!!
