

# I Gotta' Go Wee! Skit

How ever many people are sleeping in a cabin at ODS. The counselor is on one end, the little 6th grader on the other end of everyone else acting like they are all asleep.

The little 6th grader climbs over all the other sleeping campers, who try to remain asleep, and shakes the counselor. " \_\_\_\_\_! \_\_\_\_\_!  
I gotta go wee!"

"Huh? Wha? Go back to sleep." The little 6th grader crawls back over everyone and goes back to sleep for 5 seconds.

The little 6th grader climbs over all the other sleeping campers, who try to remain asleep, and shakes the counselor. " \_\_\_\_\_! \_\_\_\_\_!  
I gotta go wee!"

"NO! Go back to sleep now." The little 6th grader crawls back over everyone and goes back to sleep for 5 seconds.

The little 6th grader climbs over all the other sleeping campers, who try to remain asleep, and shakes the counselor. " \_\_\_\_\_! \_\_\_\_\_!  
I gotta go wee!"

"OK! OK! Well, if you have to go THAT bad", says the counselor, "If you've gotta go, then go."

The little 6th grader stands up and waves his hands in the air: "Wheee!!!!, Wheeee!!!!, Wheeee!!!

Each person in the skit should ham it up a little differently than the others.
