

Pass the Pepper

Campers squatting in a line facing the audience as if they are sitting on chairs. Or, have them actually sit on chairs.

Each person passing the "pepper" should have a unique thing that s/he does or a unique way of passing as s/he passes the pepper that is kind of funny.

Camper #1: (to the one next to him loudly) Pass the Pepper please.

(each camper passes the request to the end where the last camper grabs a small bottle and passes it back)
