

# Realtor Echo Skit

(Realtor is onstage alone and looking worried about life)

**Realtor:** Man, the house business is awful. No one's buying anything these days. I've really got to get some houses sold this month!

(The buyer and family walks onstage and up to the realtor.)

**Realtor:** (Note that the realtor could be two people working together and each alternating lines.)

Good morning! What can I do for you?

**Buyer:** (Note that you can add comments any time the buyer speaks that are made by various family members. You could even include a dog or cat who simply act but don't talk.)

Hello, I want to buy a house. But, not just any house. I have specific requirements. Think you can help me?

**Realtor:** Why certainly! You've come to the right place. You can trust me! What are you looking for?

**Buyer:** I need a haunted house. It must be very dusty, and have an echo, and have a red door. These are important things to me and I am ready to pay handsomely for the perfect house.

**Realtor:** Why, this is your lucky day! I just got a listing today for such a house. I need to call the owner and set up an appointment. Come back in one hour and I can show it to you.

**Buyer:** Wonderful. I'll be back.  
(buyer walks offstage)

**Realtor:** OK, a red door - no problem, I've got some spray paint out back. Dust - I'll empty out Mable's vacuum cleaner. Echo - echo? Where can I get an echo?

(echo #1 walks by)

**Realtor:** Hey, buddy, want to make a buck?

**Echo #1:** Sure!

**Realtor:** OK, go hide over there.

(echo #2 walks by)

**Realtor:** Hey, buddy, want to make a buck?

**Echo #2:** Sure!

**Realtor:** OK, go hide over there.

(Do this for as many echos as needed to have kids in the skit.)

(A not so bright echo walks by)

**Realtor:** Hey, buddy, want to make a buck?

**Dumb Echo:** Uh, Hay is for horses. Yuck, Yuck.

**Realtor:** Look, do you want to earn a quarter?

**Dumb Echo:** Huh? A quarter of what?

**Realtor:** How about a dime?

**Dumb Echo:** Oh, Yeah!

**Realtor:** OK, go hide over there.

(the three echos should be lined up across the back or along one side of the stage, with the not so bright Echo the last)

**Realtor:** Now, all you have to do is repeat what I say. Now, be quiet.

(Buyer walks up from the other side of stage)

**Realtor:** Hey, here's your house. Notice the bright red door?

(opens door and both walk in)

**Realtor:** Notice the dust all over the place?

**Buyer:** Yes, it looks very nice. But, what about the echo?

**Realtor:** Well, let's see. HELLO!

**Echo #1:** hello

**Echo #2:** hello

Other echos, "Hello!"

**Not so bright Echo:** uh, hi

(buyer looks a bit miffed)

**Realtor:** Let's try that again. BUENOS DIAS!

**Echo #1:** buenos dias

**Echo #2:** buenos dias

Other echos, "Buenos dias!"

**Not so bright Echo:** What did he say?

(Buyer steps toward realtor with a threatening look)

**Realtor:** Well, umm. WHAT DO YOU WANT?

**Echo #1:** What do you want?

**Echo #2:** What do you want?

Other echos, "What do you want?"

**Dumb Echo:** I want my dime!

(Buyer and other echos chase the realtor offstage)
