

# King Siam Skit

Equipment – a crown (a paper crown will do)

Choose one person to be King Siam. King Siam will have handmen or handmaidens.

King– Handmen (Handmaidens)! Go in the audience and find people to enlighten!

The Handmen each choose one person out of the audience and take each to the stage. (Do not choose 6th graders or counselors!)

King–You have been chosen to be enlightened! Now follow what I do. (Make sure the people who were chosen do what the king does.)

King– AWAH! (shoot your arms down to the ground)

(They do the same thing)\***Wait 5 seconds**

King– TAGOOSE! (shoot your arms out in front of you)

(They do the same thing)\***Wait 5 seconds**

King– IAM! (shoot your arms above your head)

After you get through that, **start to do it faster and faster** till they can understand what the enlightenment is.

If you haven't figured it out it's A WHAT A GOOSE I AM!
